Re: Minority Business Enterprise (MBE)
Category: Construction

Dear Mohammad Saleem:

We are pleased to inform you that The Port Authority of NY & NJ has certified your business to participate in the agency's Minority Business Enterprise (MBE) Program. Tristate Buildings Renovation Inc. has been included in the Port Authority's on-line directory of certified MWBEs which can be accessed at:
<https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

However, to participate in our construction program for MWBE's your firm must be qualified. Your construction references are being reviewed by our Engineering Department. Once the review is completed, you will be notified under separate letter.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Diversity, Equity, & Inclusion in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until November 6, 2030, after which you must submit a recertification application with supporting documentation. The application can be accessed from our Web site: www.panynj.gov/supplierdiversity

Now that you are certified we invite you to use the following links to:
